NAPTOSA is a teachers' union which, whilst working hard to ensure the best possible conditions of service for teachers, also offers support and development opportunities for teachers to be more effective in their classrooms. NAPTOSA is a SACE endorsed 'type 3 activity' service provider (Provider number TU 10776).

FIELDING DREAMS will be conducting professional development workshops / activities for NAPTOSA Gauteng in 2018. Workshops and activities will be two hours long or more and will thus enable teachers participating in the activities to earn SACE Continuing Professional Teacher Development (CPTD) Points.

Should you wish to know more about the NAPTOSA professional development programmes, you are welcome to contact me on our office number, 011 486 1256 or email me at [marionj@naptosa.org.za](mailto:marionj@naptosa.org.za).

Yours faithfully
